*NOW you can enjoy the best of traditional Montessori British schooling with the advantages of the blended classroom: benefit from our intensive Boarding School and the commitment of World Class Teachers. The result is a high-quality, cost-effective, individualized and respectful education that gives you ownership of your family time and organization, and adapts smoothly to any circumstances (travel, quarantine, lockdown, job change...)*

Our students are nurtured to become independent, self-confident and responsible individuals who follow traditional values of respect, honesty, empathy and global awareness whilst acquiring a life-long love of learning.

### Choose onsite/online

With sport facilities, labs, a botanical garden and the Boarding option, our children benefit from an exceptional learning environment where they can experience Nature safely.

As part of our rigorous Health&Safety policy and Mitigation Strategies, you may **choose any number of school attendance days a week**, (0 to 5), and drop back to “brick and mortar” when we are all done with Covid-19.

### A British Education with a Montessori approach

EYFS, UK National Curriculum with 20% Spanish subjects + a Montessori learner-centered approach, delivered by experienced, qualified teachers in classrooms of 5-15 students from all over the World. Our method champions interdisciplinary, inquiry-based learning that promotes creative and critical thinking skills, communication, planning, teamwork and leadership.

### Join anytime

Our individualised curriculum adapts to the needs, interests and pace of every student, enrollment anytime in the year.
